

We support the

ndis

The National Disability Insurance Scheme (NDIS) supports people with a permanent and significant disability that affects their ability to take part in every day activities.

As a leading partner with NDIS, our Podiatrists enjoy working with each participant to enhance their independence, mobility, overall health and quality of life. We work with each participant to understand their personal health goals and develop a plan together, to achieve your objectives. Placing your feet in the hands of our experienced Podiatrists ensures that you receive the best level of care.

We are currently one of the only organisations in Adelaide that provide both clinic and in-home care through our flexible tailored services.

We provide the following NDIS services:

- Therapeutic supports (CB Daily Activity);
 - ✓ Foot and leg assessments
 - ✓ Diabetes assessments
 - ✓ Biomechanical and gait examinations
 - ✓ Podiatry care
- Assistive technology;
 - ✓ Medical grade footwear
 - ✓ Custom made foot orthotics
